Dear Representative Newman;

My name is Kathleen Glines, and I reside in Big Lake, Alaska. We have a family run

Bed & Breakfast and a couple of Vacation rental properties and we have been expanding every

year to attract the outside tourists to this great state and to our community of Big Lake.

I would like to encourage you to support the HB167 & SB138, as it is very important for

Tourism advertising to help us as a small business survive.

Sincerely,

**Kathleen Glines
