Adventure Green Alaska Announces Certification Recipients

23 Alaska Businesses Recognized for Responsible Tourism Practices

Anchorage, AK – Adventure Green Alaska (AGA) is pleased to announce 23 new and recertified businesses. AGA, the only sustainable tourism certification program for tourism businesses operating in Alaska, is a program of the Alaska Travel Industry Association (ATIA), the state’s leading membership association for the travel industry

“Sustainability is one of the top tourism trends for 2020. AGA has been promoting sustainable travel in Alaska since 2009. Sustainable – or responsible – travel is about supporting communities and cultures as well as reducing travel’s footprint, and we’re excited AGA-certified businesses are leading the way,” says Sarah Leonard, ATIA’s President & CEO

AGA-certified businesses are recognized for best management practices and responsible operations, meeting rigorous standards of economic, environmental, and social sustainability.
