

# 2019 ATIA Annual Convention & Trade Show Sponsorship Opportunities

Convention sponsorship is a great way to get exposure and promote your business to hundreds of tourism industry professionals. All sponsors receive recognition through on-site logo recognition during convention, on the convention app, and on the ATIA website. Sponsorships at the \$1,000+ level may insert an item in the delegate bags and \$7,500+ sponsors may address the full convention.
